Member Comment: Virginia O. loves the new screen door at he cookshack. Julia L. is pleased about the good records being kept by the 4<sup>th</sup> of July committee. Rhonda G. would like to see a food sign on the cookshack and for the band to turn one of their speakers out toward the field.

### Old Business:

- 1- Paddle Sign Poles: Scott G. told us that the crooked pole needs to be dug out and the new holes drilled. The DPW can put the poles in the hole and concrete them in. The new pole that was purchased is already warping and Scott G. will try to straighten it out. We will need to purchase one more bag of concrete.
- 2- Rack Card Contacts: Virginia O. will recontact the businesses who have already committed and recheck their information and re-call those who have not.
- 3- Market/Car Show Reports: A) Concession: The concession took in \$1047.50 and cost \$378.21 making the net profit \$669.29. This included the \$110.00 for the food license which will only be \$85.00 next year. Rose McBride would like to bring back the sloppy joes next year. Suggestions; individual prices made clear on menu, have a joint meeting with the FOMC to discuss the concession and come to an agreement.

Popcorn being made on site is a must because it falls under the health department license. Need to iron out the cookshack flow for workers, need pop inventory start and end. B) Raffle Baskets; They went over well, brought in \$456.00. 50/50 made \$234.00. C) DDA Raffle; Made \$175.00 D) Vendors; Maybe change date, loss of vendors. Perhaps in early August and back to a Saturday. E) Advertising; Need a better paper trail for costs so we can track better.

- 4- Gateway Sign Location: Scott G. looked at a spot with Dug Right and he estimated the cost to prep the site at \$11,400. We will mark two spots on Thursday 4:30 p.m.
- 5- Relocate Moose Billboard: Julia L. said she does not like the height or lack of since it is a picture of the moose in the air. She will ask Mike T. about his land for the sign or maybe we move onto the state land area with the gateway sign and put the moose by the wastewater area. New layout at next meeting.

#### New Business:
