

Breathe Easier. Live Healthier.

Do you or someone in your home suffer from asthma or allergies? You may qualify for healthy home improvements like insulation, air sealing, pest control and more—all at no cost to you.

Breathe easier and see if you qualify by calling **877.367.3191** or visiting efficiencyunited.com/healthier_homes.

An Efficient Home is a Healthier Home.

Valued at \$500, our no-charge Healthier Home Assessment is designed to identify home improvements aimed at saving energy and improving indoor air quality. Once those improvements are identified during your assessment, we'll work with your schedule to get them installed at no charge to you.

Common no-charge home improvements may include:

- Insulation and air sealing
- HEPA filter upgrades and/or replacement
- Air duct cleaning
- Weatherization
- Repair and maintenance of ventilation systems
- Floor and carpet cleaning or removal
- Insect removal and control

A Healthier Home in Four Easy Steps

1. Call 877.367.3191 or visit efficiencyunited.com/healthier_homes to pre-qualify for the Healthier Homes Program.
2. If your home qualifies, Efficiency United will contact you to schedule your no-charge Healthier Home Assessment.
3. After the assessment, we will work with you to implement recommended improvements at no charge to you.
4. Efficiency United will follow up periodically to explore how the improvements have impacted you and your family.
